MARCH 18, 1994

IN RE: Application of Little Dallas Motor Lines, Inc., Rt. 3, Box 5121, Murray Johnson Road, Conway, SC, for a Class E Certificate.) ORDER GRANTING IN) PART AND DENYING) IN PART MOTION TO) COMPEL

This matter comes before the Public Service Commission of South Carolina (the Commission) on the March 7, 1994, Motion of Santee Carriers, a division of TIC United Corporation (Santee) to Compel Discovery in this docket. Santee alleges that on January 3, 1994, Santee served the Petitioner in the present case, Little Dallas Motor Lines, Inc. (Little Dallas) with Santee's first set of interrogatories and request for production. Santee requested Little Dallas to provide its response on or before February 3, 1994. According to the Motion, Little Dallas filed no response to the discovery requests. Santee states that without responses to its discovery requests, it will be unable to prepare adequately for the presentation of its evidence and for the cross-examination of any witnesses whom Little Dallas might offer at the hearing.

The Commission has examined the interrogatories propounded to Little Dallas and believes that this Commission should grant in part and deny in part Santee's Motion to Compel Discovery. The Commission will set forth interrogatory by interrogatory how it shall rule on Santee's Motion:
